## Critics' Choices

**Group Show: Rogue Wave '07** The influx of emerging artists in L.A. has become wonderfully daunting, and every few years, LA Louver showcases it. This year's version features a dozen painters, sculptors and artists working in mixed media. The show abounds in freshness and vigor, its contents insistently visual, materially inventive and thoughtfully subversive (L.O.). LA Louver, 45 N. Venice Blvd., Venice. Tue.-Sat., 10 a.m.-6 p.m.; ends Aug. 18. (310) 822-4955.
