

# L.A. LOUVER

Date July 28, 1977

## FOR IMMEDIATE RELEASE

L.A. Louver Gallery is pleased to announce the forthcoming exhibition of sculpture and video. Selected works by John Gordon, Robert Janz, Loren Madsen and Sally Shapiro will be on view. The show will open August 9th and continues through September 24th.

John Gordon constructs relationships with form and existing space, derived from an involvement with surface, line, light and volume.

New works by British artist Robert Janz further explore his concerns for change and rearrangement in sculpture and drawing. Other related works can be seen at the Los Angeles County Museum of Art during his solo exhibition this August.

Loren Madsen who recently completed "Broken Ring" for L.A.C.M.A.'s B.G. Cantor Sculpture Garden, uses wood and hardware to evoke drama in simplistic form.

Video artist Sally Shapiro creates sculptural metaphors with objects that become void of their assumed definitions in a series of four black and white video tapes.

Thank you for your attention.
